Read the following:-

Letter from E.M.Gawne Esq., I.C.S. Collector of South Kanara No. Ref. A-6- 9538-32 dated the 16th May 1933.-

See sketch at 7 of (P)

S.No. 121/3A measuring 2.30 acres in ~~Matur~~ Amtur village, Mangalore Taluk is applied for on darkhast by the vicar of the Karingana Church. The plot does not contain any improvement. A major portion of it forms kumaki to S.No. 125/1 held by the Church, the extent of non-kumaki being only 46 cents. The Church owns 9.10 acres of wet and garden land and 24.47 acres of dry land in the village.

2. One Rangappa Aithala holder of S.No.125/2 objects to the assignment of the entire extent to the Church on the -- ground

2

ground that a portion of it forms kumki to his kadim holding and that all the Government lands on other sides having already been assigned to the Church and others, he has to go in only for S.No. 121/3 in order to procure the necessary aid for the cultivation of his kadim land. He has been left 121/3 B measuring 4.04 acres in the southern part of the number but he wants also the southern and the eastern portions of S.No. 121/3A (marked red in the eye sketch) to be assigned to him. I consider that the division made in this case is adequate and just. He owns 4.88 acres of wet land and 1.27 acres of dry land in the village, not -- counting the four acres of kumki in 121/3B which is being left for him. p63 of file

3. The Church is a member of the Parish Union of the Diocese of Mangalore. The Vicar of the Church has no objection to the assignment of the plot to the Parish Union, the Secretary of which is also willing to have it on darkhast. I therefore request that the Board may be pleased to obtain the sanction of the Government for the assignment of the plot to the Parish Union.

4. The Parish Union does not hold any land in the village as the Church land is in the name of the Church itself. The total extent of land owned by the Union in the District is 125.37 acres and its approximate market value is estimated at Rs. 7196-0-0. The records of D.R. 175/41 are enclosed. (P)
